

FORM 1 - RESEARCH MASTER'S PSYCHOLOGY: RESEARCH INTERNSHIP CONTRACT

Title of research project: Bayesian symbolic regression

Keywords: Symbolic regression, Bayesian methods, genetic algorithms, Markov chain Monte Carlo

Student name: David Coba Castellano

Student ID card number: 12439665

Supervisor name: Don van den Bergh & Eric-Jan Wagenmakers

Peer reviewer 1: Maximilian Maier

Peer reviewer 2: Leonhard Volz

Specialization: Psychological methodology

Date of contract: 21st January 2021

The undersigned (student and supervisor) have agreed upon the following:

1. General:

Research internship starting date: 1st February 2021

Number of EC: 18
Note. Minimally 18EC and maximally 24EC. The total number of EC for the Internship and Thesis should be 50EC.

Number of weeks: 31

Number of hours per week: 17
Note. Please specify whether you will work full-time or part-time on the project. Full-time means 42 hours a week. The number of weeks times the number of hours per week should amount to the number of hours for the internship, with 1EC = 28 hours.

Data ownership: University of Amsterdam
Note. Data ownership and publication rights are with the University of Amsterdam by default. If agreed upon otherwise, please note that data need to be fully available to the University of Amsterdam (possibly in anonymized form) such that the student and supervisor have full possibilities to analyze the data for the purpose of the research internship.

Publication rights/authorship: David Coba, Don van den Bergh, Eric-Jan Wagenmakers

We have read and will adhere to the Code of Responsible Scientific Behavior of the Psychology Research Institute (see for more information Section 4.2 and 5.2 in the Student Manual).

2. Planning and deadlines:

Intended submission date for research proposal: 18th March 2021

Intended data collection period (starting and end date): 21st April - 10th May 2021

Intended data analysis and internship report writing period: 11th May - 18th June 2021

Half way process / product evaluation talk: 1st June 2021

Scheduled submission date for final internship report:

18th June 2021

3. Supervision:

Planning/schedule of meetings with the supervisor:

(Bi)weekly

Location:

Amsterdam

Student's signature:

David Coba Castellano

Supervisor's signature:

Don van den Bergh
Eric-Jan Wagenmakers
